## See the Lights

Today you can visit the unique legendary landmarks of New England, the magnificent beacons that illumine the Maine shoreline. Lighthouses have captured the imagination of sailors and poets alike. Steadfast in storm and darkness, these sentinels have offered safe haven to mariners for hundreds of years. Today you can see them for yourself. Some you can visit and climb their winding staircases to the top and imagine the storms, the daring rescues, and the unique lifestyle of the lighthouse keeper and his family in their daily duties tending the flame.

## Help Us Create a Memorial, Commemorating the Birthplace of the U.S. Coast Guard

The Lighthouse Preservation Society is seeking your donation to create a Memorial Park in Newburyport, MA, commemorating the birthplace of the U.S. Coast Guard. The park will feature the public opening of one of New England's fabled lighthouses, the Newburyport Front Range Light, as a museum. In addition, we wish to create a significant new work of art, a statue entitled "First Guardians", depicting three uniformed men from each of the three early federal agencies – the U.S. Lifesaving Service, the Revenue Cutter Service, and the U.S. Lighthouse Service - that merged to become the modern U.S. Coast Guard. We are currently seeking to raise \$2 million to create this waterfront park, complete with interior and exterior museum exhibits, the creation of a new "First Guardians" statue, computerized "liquid fireworks" water fountains that are synchronized to music and colored lights, extensive landscaping, a complete lighthouse restoration, and a major endowment. In addition to the satisfaction you'll get from helping to create a Coast Guard Memorial Park, you're generous donation will earn you a tax deduction, and the following gift items or naming opportunities for each category:

- Contributor Category (\$25 - \$99) – Receive a Lighthouse Preservation Society coffee mug.
- Donor Category (\$100 - \$499) – Receive a collectible and beautifully illustrated U.S. First Day of Issue Commemorative Lighthouse Stamp Envelope, suitable for framing.
- Patron Category (\$500 - \$999) – A large 8 x 12 x 2 Granite Paving Stone will be dedicated with the Coast Guard's logo, and your name, or the name of someone you love, etched on it, for incorporation into the park's landscaping.

- Benefactor Category (\$1,000 - \$9,999) – Your name, or the name of someone you love, will be dedicated and etched onto a Commemorative Bronze Plaque on the lighthouse.
- Guardian Category (\$10,000 - \$99,000) – Your name, or the name of someone you love, will be dedicated and carved into a Granite Park Bench.
- Rescuer Category (\$100,000 – 499,000) – Your name, or the name of someone you love, will be dedicated and carved into a Granite Fountain.
- Champion Category – (\$500,000 - \$2,000,000) - Your name, or the name of someone you love, will be dedicated and carved into the Granite Pedestal of the "First Guardians" Statue.
